

CSSC 2018

14th Annual Computer Science Student Conference

18th April, 2018

PROF. VALERIE KING
Keynote Speaker

Valerie King has been a Professor in the Computer Science department at the University of Victoria since 1992. She received her PhD in computer science in 1988 from UC Berkeley, under the supervision of Richard Karp; JD from the UC Berkeley School of Law in 1983; and AB from Princeton University in mathematics. She has held visiting professor positions at Hebrew University, University of Copenhagen, and Ecole Normale Supérieure in Paris. Her industrial research experience includes Microsoft Research (Silicon Valley), HP and Compaq Systems Research Lab, and NECI in Princeton. She has been a member of the Institute for Advanced Study in Princeton, and a long-term visitor to the Simons Institute.
